

Minutes of the Executive Committee of the  
Board of Directors of the Council for Entrepreneurial Development

December 16, 2009

There was not sufficient business to call an in-person meeting of the Executive Committee, so the Chair recommended that the meeting be canceled.

The Executive Committee in December 2009 did approve by email a contract through June 30, 2010, for focus groups to be conducted by Fitzpatrick Communications, Inc.
